**Volunteer Deposit and Fundraising**

In order for our club to run smoothly we depend on our volunteers! Each athlete's family pays a volunteer amount depending on the level of their team. If you volunteer for club activities (attending parent meetings, volunteering at competitive meets, filling executive positions, helping at club fundraisers), for the full amount of time (\$10 per hour), your cheque will be returned to you at the end of the season. Volunteer hours must be volunteered directly to KSSSC in addition to the volunteering that is required through Synchro BC at any meets/events unless you are the Meet Manager for KSSSC.

The Fundraising fee is to ensure that all swimmers/families participate in club fundraisers and that the bulk of the fundraising does not land on 3-4 swimmers alone. Fundraisers to be determined in September.

All fundraising proceeds this season will be allocated as follows: 50% to Club expenses and 50% to each athlete's or team account ( TBA in September ). Funds in the athlete's account can be used towards extra routines, meet fees and authorized travel and club attire.

\*Raffle Tickets are a mandatory Synchro BC fundraiser. This will not be an expense for you when all the tickets are sold.

**Club Attire** All items will be available during start-up/registration month.
